

TWINBROOK PARKWAY RESURFACING PROJECT

North Bethesda, MD

PURPOSE

This newsletter is to inform you of the upcoming road resurfacing of the left turn lane on Twinbrook Parkway. Please see the Project Map located on the reverse side of this newsletter for the locations. This project will consist of milling, removing failed asphalt, and installing concrete. This pavement system preservation project employs long term strategies to improve roadway conditions.

IMPACTS

There will be Lane Shifts, Lane Closures and temporary detours. We will do our best to keep the impact of traffic to a minimum.

Please walk or drive carefully through the work zone and obey all posted signage. We thank you for your cooperation and patience as we work to improve the County infrastructure for residents and users.

SCHEDULE

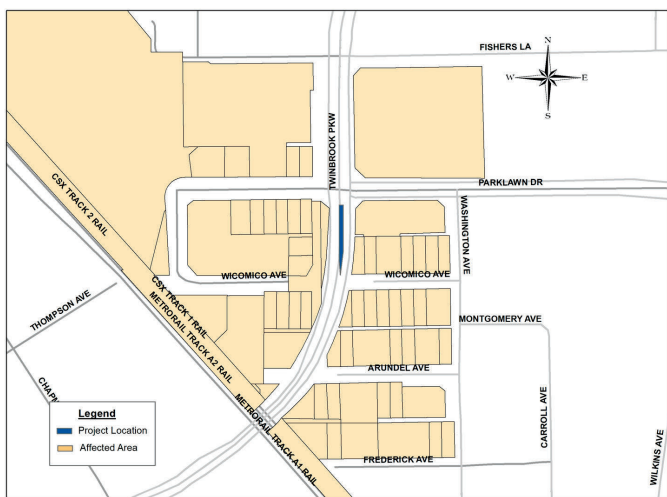

This project is scheduled to start in mid-March and will take roughly 1-2 weeks to complete, weather and other operational requirements permitting. Work hours will be between 9am and 4pm, Monday through Friday.
